

## Heating & Ventilation Contractors

As specialist construction insurance brokers we act for many Heating & Ventilation Contractors and Mechanical Building Services Contractors and have established excellent insurance facilities which combine an extremely competitive pricing structure and a comprehensive breadth of policy cover.

We have established relationships with leading Composite Insurers, together with Lloyds Syndicates and the London Market. We are also able to access specialist schemes including those established on behalf of the Heating & Ventilating Contractors Association and Confederation for the Registration of Gas Installers.

### Classes of Business

We are able to place a wide and comprehensive range of covers to meet the requirements of the heating and ventilation construction industry, including:

- Employers Liability
- Public Liability
- Products Liability - (Financial Loss & Efficacy)
